Steve Futrell Invited to Attend TAG's 14th Annual Convention in Nashville

*Leaders in the Technology Industry
Unite to Discuss Future Trends,
Emerging Technologies & Best
Business Practices*

LIVONIA, MI – March 31, 2014 - Technology Solutions, LLC, a leading provider of unified communications, announced today that the company has been invited to attend Technology Assurance Group's (TAG) Annual Convention. TAG is an international organization of leading unified communications providers representing nearly \$350 million in products and services. The convention will be attended by the forerunners in the industry who are pioneering new ways of utilizing technology to better serve their business community. The invite-only conference will be held on April 27th to April 30th at the Gaylord Opryland Resort & Convention Center in Nashville, Tennessee.

During the four day event leading technology companies, like Technology Solutions, will share their expertise and best practices with their peers in an effort to help one another improve their businesses and provide greater value to those customers they serve. With such

a wide variety of perspectives, Technology Solutions will undoubtedly glean new best practices, enhance their customer service, and be exposed to new technologies. The overriding goal for their participation at the TAG Convention is to identify new ways to increase their customers' profitability and productivity.

"In our industry the learning never stops," stated Steve Futrell, President of Technology Solutions. "The technology industry is one that requires a constant hunger for understanding new technologies and how their implementation can affect businesses. It is our duty to make sure that the solutions we provide are not only good – they must be great. By remaining vigilant and proactively searching for top technologies, we can confidently promise our customers that by working with us, they are getting the best business enhancing technology possible, every time."

"The TAG Convention provides a unique opportunity where our Member companies interact with one another and immerse themselves with new

information," commented Brian Suerth, President of TAG. "Steve Futrell is well respected among his peers and his company is one of our premier Members."
